VOLUME 48: NUMBER 35

DIDSBURY, ALBERTA, WEDNESDAY, AUGUST 30, 1950

\$2.00 A YEAR; 5c A COPY

Large Grant Available For New School Construction

The current issue of this paper carries a notice from the Olds School Division No. 31, signifying its intention to borrow \$330,000.00 for the purpose of building new school buildings at Carstairs and Didsbury. This is a matter that should receive the earnest consideration of every ratepayer in the Division.

As of June 30th last, owing to lack of school room space, there were 83 children from this Division taking high school work outside the Division. This in itself is ample proof that more high school accommodation is needed within the Division. It has been found from experience that the present high school curriculum is best taught in schools large enough so that a considerable number of teachers, each specializing in certain lines of teaching, produce the best results. Consequently, so far as high school is concerned, the best results will no doubt be obtained by having a large central school for the Division. This practice is being followed almost universally now—the days of the country one or two room high schools are past. This can be verified by noting what other Divisions within the province are doing. The fine school buildings you see while travelling through British Columbia and the United States are obviously too large to serve their immediate vicinity. The large high schools in the cities serve far more than their immediate neighborhood and many of the children living in the outlying districts have a considerable distance to get to school every day. It would therefore appear that in their plans to erect a large central high school the Division Board is merely keeping abreast of the times.

If such a plan is to be built, the matter of location should also be given consideration. The building should be placed as nearly as possible to the geographical center of the Division. Any deviation from this rule will result in somebody being further away from it than need be. It should be placed where transportation facilities are good. It should be placed only in a community where water and sewerage facilities are provided. The more people you congregate together the more difficult the sanitation problem becomes. Water and sewerage plants are the only safe

method of dealing with this problem, and the Board has no right to congregate the children of the district in large numbers at any point where the best protection from disease originating from lack of protection along this line is not available. So far as the Olds School Division is concerned, the Town of Didsbury is the logical place to erect a central high school, being the only point in the Division that affords all the above mentioned prerequisites.

There are also a few things that should be kept in mind about the costs. The total amount required is \$330,000.00. Of this \$250,000.00 will be loaned by the Government, interest free, so the Board will only actually have to pay interest on \$80,000.00. Of the \$80,000.00 loaned by the Government the Board will only have to pay \$11,250.00, the balance being given as a grant. In other words on the \$330,000.00 venture the Provincial Government will give us outright a grant of \$11,250.00 and will loan us a further \$11,250.00 repayable without interest over 20 years.

The estimated increase in taxes occasioned by this project will be about 2 mills. If you think that the additional advantages that will accrue to our young people are worth 2 mills, you should support the by-law.

If you do not think it is worth that, you are not placing the value to our country that you should, on the nation's greatest asset—its children.—Contributed.

MCMULLEN-REIMER
A pretty wedding was solemnized recently in the chapel of the Cathedral of the Redeemer in Calgary when Elizabeth Ruby, daughter of Mr. and Mrs. H. H. Reimer of Sloan City, B.C., became the bride of Donald Bertram McMullen, son of Mr. and Mrs. R. E. McMullen of Elkton. The double-ring ceremony was performed by Rev. G.N. Haworth in the presence of close friends and relatives of the bride and groom. The altar was decorated with gladioli, baskets of sweet peas and baby's breath.

The bride, given in marriage by her father, was lovely in a white crepe afternoon dress trimmed with lace applique, and she wore a matching lace hat and carried a bouquet of pink gladioli. Her only jewelry was a gold bracelet belonging to her mother.

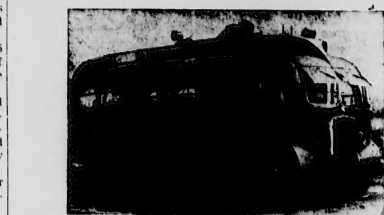

The maid of honor was Miss A. Reimer of Winnipeg, who was gowning in blue tissue faille with a matching hat. She carried a bouquet of pink and white carnations.

The groom was attended by his brother, Mr. A. McMullen of Calgary.

Following the ceremony a reception for about thirty guests was held in the Empress Banquet Rooms. The toast to the bride was proposed by Mr. A. McMullen.

After the ceremony Mr. and Mrs. McMullen left for a trip to Waterton Lakes, and on their return will make their home in Didsbury.

Of special interest was the fact that the Cathedral of the Redeemer had been the scene of the wedding of the bride's parents.

MOBILE NEWSPAPER OFFICE

The new mobile newspaper office of the "Birmingham Post and Mail", operated in the English Midlands, appears at first sight to be a luxury coach as it is equipped with a strictly utilitarian vehicle carrying a linotype machine, a photographic dark room, a Bush letter press printing machine, and two

generators, one providing the electricity for the printing machine and the other the electricity for the radio, teletype machines and the wireless transmission for photographs. Apart from its merits as an important link in newspaper production which permits the printing and publishing of late news, the vehicle has many outstanding features of engineering and design.

United Nations Security Council Meets on Korean Situation

The 11-member United Nations Security Council is shown here during one of its meetings in August on the Korean situation. President of the Council for the month was Yakov A. Malik (center, speaking).

Funeral Services For John George Walder

A long-time resident of the Didsbury, John George Walder, died Thursday evening, August 24, at his home here at the age of 77 years.

Born in Saratov, Russia, Mr. Walder moved to North Dakota in 1906, and to Didsbury in 1913. He is survived by his wife, Magdeline; six sons, Jake and Henry of Calgary, John of Coronation, Richard and William of Didsbury, and David of Innisfail; seven daughters, Mrs. Katherine Leonard of Vancouver, Mrs. Irene Gross of Mission, B.C., Mrs. Emma Cline of Seattle, Mrs. Pauline Bissard of Didsbury, Mrs. Mary Patterson of Wilmer, B.C., Mrs. Louise Bird of Olds and Olga in Didsbury; 16 grandchildren, one great grandchild, and a brother, Henry, in Outlook, Mont.

Funeral services were conducted by Rev. E. B. Fox from Redeemer Lutheran Church, Didsbury, on Sunday, August 27, at 2 p.m., and pallbearers were J.V. Berscht, Fred Bogner, A.G. Studer, John Folkman, Henry Folkman and D. Reinhardt. Burial followed in the Didsbury cemetery with Didsbury Funeral home in charge of arrangements.

Didsbury Girls Lose To Olds Combines

The Olds Combines, recent winners of the Central and Southern Alberta Intermediate Fastball Championship, appeared in Didsbury last Friday evening against the local nine. The large crowd in attendance saw good, hard and indifferent ball played by both sides, and after nine innings were completed Olds led by a 17-10 score.

Phyllis Fox, ex-Didsbury left fielder, played perfect ball, making many sensational plays. Mary St. Clair was outstanding for Olds, being the heavy hitter of the evening. Joy Folkman and Marjorie Goetjen shared the mound duties for Didsbury, but were given poor support at critical times.

The Didsbury Models had a decidedly off night, but put up a game exhibition against the powerful Olds aggregation.

Olds—Hodgson, Markin, Tighe, Madsen, Herbert, St. Clair, Hodgson, Miller, Carter.

Didsbury—Schneidmiller, Wood, Folkman, Goetjen, Rundberg, Fox, Krebs, Irwin, Bagshaw, Dupont, Severns.

MONDAY IS A HOLIDAY

Monday, September 4, is Labor day and a Dominion holiday, and all places of business will be closed. Housewives are reminded to stock their larders according to their holiday needs. Due to the holiday and no delivery of mail on rural routes, our news correspondents are asked, if at all possible, to get their budgets of news in early, or to send or bring their news copy to the local postoffice. The co-operation of our advertisers would also be appreciated.

Regular Meeting of Mt. View Institute

The Mountain View W.I. meeting held at the Mountain View Hall with Mrs. Basil Atkinson as hostess, was well attended with visitors from Lone Pine W.I. and some ladies of the district present.

The district home economist, Miss Sheila Forrest, of Red Deer, gave a splendid talk on "electricity in the home."

Miss Kay Atkinson conducted a word contest and Mrs. Ruth Eckel was the winner, as well as the winner of the draw prize.

Mrs. W.E. Stiles gave a short talk on Mental Health and Mrs. James Worrall gave a review of the constituency convention.

Miss Olive Bittner and Miss Kay Atkinson each rendered a solo, which was enjoyed by all.

Several pieces of sewing for the Red Cross were turned in and after singing God Save the King the hostess served a lovely lunch.

Westerdale Jr. F.U.A. Enjoys Picnic Sunday

The August 18 meeting of the Junior F.U.A. was held at the Harold Krebs home with ten members present. Roll call was answered with "What time do you get up?"

A letter was read from Mr. Carl Stimpfle, and the business of the meeting was mostly planning for the fishing and picnic trip to be held on Sunday.

Arrangements have not yet been made for the date of the next meeting.

Ten members and six visitors enjoyed a very interesting picnic and a good catch of fish on Sunday last at the "cass" in the forest reserve. Many thanks are extended to Sid Summers and Everett Wright for supplying transportation.

Miss Mildred Traub Honored at Shower

Miss Mildred Traub, whose marriage took place Thursday, August 13, was the guest of honor at a pre-nuptial party Monday evening when Miss Grace Frey was hostess to forty guests at the bridal shower in her home. During the evening the bride-elect was directed to a treasure hunt for miscellaneous gifts by receiving instructions drawn from a miniature wishing well which centered the table. Shower games were also played.

The rooms for the occasion were decorated throughout with beautiful garden flowers.

The hostess was assisted in serving refreshments by the Misses Edith and Marion Sherrick.

Cliff Johnson Leads Gun Club Shooters

One of the new and younger members of the Didsbury Gun Club, Cliff Johnson, has shown remarkable improvement in trap shooting and on Friday night he broke 19 clays out of 25, which is considered good marksmanship for almost a beginner.

Here are the scores: Cliff Johnson 19; Ed Bouleau 19; Alf Studer 17; Sam Thompson 17; Ken McCoy 14; Geo. McDonald 13; Bill Kanton 11; Dave Bouleau 11; Len Berscht 10; Hughie Roberts 9.

A cup shoot for club honors is planned for Wednesday afternoon, September 6, at 2:00 p.m. This will be for members only and the Gun Club trophy will be presented to the winner.

The trophy shoot will wind up the activities of the Didsbury Gun Club for the season, although a turkey shoot is planned for later in the fall.

WESTCOTT

Mr. J. R. Luft has cut and stocked a field of barley which we believe is the first cutting of this year's grain crop in this district. However, this week many more farmers will be starting the harvesting operations.

Rev. R. H. Goetjen and Mrs. Goetjen and children of Creston, B.C., are visiting here with the former's brothers and sisters at Garfield and Carstairs.

Mr. and Mrs. John Stevenson and Miss Betty Johnson of Sundre spent Wednesday afternoon with the Herbert Goetjen family. Elaine Goetjen returned with them for a few days holiday.

Mr. and Mrs. Alfred Baudist and Mr. and Mrs. Charles Topping spent the weekend at Banff.

The dance held in the Westcott school was very well attended and young and old alike had a good time. A special thanks to those who donated the music.

Mr. Fred Metz and Mrs. E. Dowell were Saturday dinner guests with Mr. and Mrs. Herbert Goetjen, the men spending the afternoon attending to municipal affairs.

Mrs. Otto Folkman visited last Sunday with Mr. and Mrs. Tony Spooner.

The Baettger outfit of Cremona is drilling a well on the farm of Mr. Alfred Baudist.

The Westcott Community Club executive held another business meeting at the home of Mr. and Mrs. Earl Klinek last Tuesday evening. Delbert Klinek serving on the executive board. A detailed account of the money taken in and spent thus far was given by the secretary, Mrs. Ruth Goetjen, and the books were in order to the present time. A special vote of thanks is extended to all who so willingly co-operated in the many activities the club has undertaken. At the conclusion of the meeting a dainty lunch was served by Mrs. Earl Klinek.

PARADE PRIZE WINNERS
The parade prize winners at the Lions' Club Jamboree on Wednesday, August 9, have been announced as follows:
Best Decorated Bicycle: 1st Pat Halliday; 2nd Marg Larsen; 3rd Bonita Peterson; 4th Donna Blain. Kid and His Dog: Marianne Burns.
Best Clowns: Tony Payne and Bobby Law.

Mrs. Brander Guest of Bancroft Buttercups

The Bancroft Buttercups met at the home of Eileen Richardson on August 19, and 12 girls answered the roll call by telling how they spent their summer vacations.

Mrs. Brander was the only guest at the meeting. She is planning on organizing a W.I. Girl's Club in the Lone Pine district and the best of luck is extended to this new club. Betty Neumiller, the club's delegate, reported having a very enjoyable time at the W.I.G.C. convention held at Ooks. She was elected vice-president of the Alberta Women's Institute Girl's Club.

Eileen Richardson prepared the program which consisted of two contests. Alma Swanson won the contest in the Junior group, and the Senior group contest was won by Lucienne Stearns.

After the meeting a delicious lunch was served.

The next meeting is to be held at the home of Mrs. Alan Marsh, the Club's supervisor, on September 23.

Grain Handling Makes Record at Grimshaw

Walter Johnson, agent for the United Grain Growers Ltd. at Grimshaw, Alberta, established a grain handling record for his company when total deliveries for the current crop year amounted to 659,836 bushels.

Interviewed recently when returning from a motor trip with his family, Mr. Johnson reported some interesting facts which contributed to his record handling. Grimshaw is located in the Peace River Block some 450 miles north west of Edmonton. It lies at the junction of the new McKenzie Highway which runs to Hay River 399 miles north and serves the Yellowknife area on the north shore of Great Slave Lake.

The last three loads of grain delivered late in July were trucked a distance of 280 miles to Grimshaw from a point 40 miles north of Fort Vermilion. Some exceptional loads are hauled by trucks. Using semi-trailers, wheat loads frequently exceed 500 bushels, and a single load of oats was hauled which weighed the equivalent of over 800 bushels.

Trucking rates for the distances and loads hauled are of course beyond comparison with similar charges in settled communities. Farmers have paid as high as 60¢ per bushel to transport their grain to the elevator.

WEST NOTES

About 40 ladies met at the home of Mrs. P. Hoesgood on Thursday afternoon to honor Miss Ruth Cook, a bride-elect of August 30, at a miscellaneous shower. A contest, a humorous story of Ruth and Lester life in which the guests supplied the adjectives, and a reading by Mrs. Hoesgood Sr., supplied the amusement, after which the guest of honor, assisted by her sister, Miss Alex Cook, opened her pack, gave Miss Cook then thanked the ladies for their lovely gifts, and a delicious lunch was served by the hosts.

Mr. and Mrs. W. F. Brown of Chilliwack, B.C., who arrived about a month ago, have been visiting with Mr. and Mrs. Alex Blain, and lately with Mr. and Mrs. L. Krebs. They were overnight guests of Mr. and Mrs. A. L. Hogg on Tuesday and on Wednesday evening they were the guests of the McInnes family.

Mrs. Les Oliver and twin daughters, also of Chilliwack, are visiting with Mr. and Mrs. Elmer Hayes. Mrs. Oliver was also a guest of her sister, Mrs. K. Konshuh, for a few days.

Among those attending the shower for Miss Marian Konshuh in Carstairs Friday evening were Mrs. O. Krebs, Miss Jean Krebs, Mrs. L. Krebs and Mrs. K. Konshuh.

Barney Hunsperger of Calgary, Mrs. and Mrs. Dwyer spent the weekend at his home in the district.

CANADIAN BACON EXPORTS

Canadian bacon exports during the past ten years were valued at \$5 billion dollars, which exceeded the exports of the previous 40 years. L. W. Pearsall, Director of Marketing Services in the Department of Agriculture, Ottawa, told delegates to the recent Ontario Livestock and Livestock Conference at Guelph.

Mr. Pearsall said that hog production in Canada has consistently exceeded domestic needs and that for 80 years surplus bacon has been exported in varying quantities to the British market.

In 1938, he said that hog marketings totalled 3.7 million with total exports of 186 million pounds. Five years later these figures had more than doubled and had reached 8.9 million hogs with exports of 695 million pounds. This year marketings will approximate 5 million hogs, with exports of bacon estimated at some 60 million pounds.

One important fact about this phase of the swine industry, Mr. Pearsall pointed out, was that virtually all the increased production occurred in Western Canada. He said that the decline in marketings and exports during the past few years is directly attributable to a drastic and sharp decline in western hog production. He emphasized the point that during the past five years eastern marketings had maintained the level of wartime peak production.

BUILD BRITISH CARS HERE?

A promise made at the 1948 Canadian International Trade Fair by Sir Win. Rootes, leading United Kingdom auto maker, to build a Canadian plant "if things go as we expect" has shown a start in fulfillment.

In Toronto, Robert Fennell, K.C. president of Rootes Motors (Canada) Ltd., the Canadian concessionaire for the Rootes Group (Hillman, Hummer and Sunbeam-Talbot cars; Commer and Karrier trucks) has announced purchase of a 30 acre site in Scarborough, Toronto suburb, for an initial group of buildings with a floor space of 40,000 square feet.

WHEN YOU RECEIVE A BILL

It is an honour to receive a bill. Instead of getting all riled up when the mail brings you a statement of account, you should be genuinely pleased. For the bill is an indication that someone has faith in your honesty.

If you never received a bill, it would indicate that your credit is worthless, and that no one is willing to take your word that you will pay.

Credit is the most valuable thing a person can have. Money may be had by various means, but credit comes only from years of honesty and prompt meeting of bills when due. When you pay a bill, you are merely being honest.

When you receive a bill, then, meet it if you possibly can. If you can't, frankly tell your creditor why you can't. You'll find him more than ready to meet you halfway.

Cherish your credit as you do your health, happiness, and other priceless boons equally rare and elusive.—Author Unknown.

TOP BEEF GOES TO THE UNITED STATES CITIES

"You can buy a better grade of beef in New York City than you can in Calgary, the heart of the Canadian beef industry," is the opinion of Dr. Frank Manolson, Calgary veterinarian, who has just returned from two years work and study with the U.S. Department of Agriculture and the Sloan-Kettering Institute for Cancer Research (Memorial Hospital) in New York.

Dr. Manolson says the explanation is that American buyers are willing to pay premium prices for beef cattle and the situation prevails in most parts of the U.S. Canadians, paying lower prices for their meat, must content themselves with lower grades.

However, as well as higher meat prices, Dr. Manolson found in the U.S. a higher incidence of animal diseases than in Canada. Hog cholera, almost unknown in Canada, is rampant in the U.S. "It's not unusual," he said, "to see three or four hogs out of a truck load dead on arrival as a result of cholera."

Rushy school services will be taken by Mission Van Workers.

"... AND THAT'S HOW

we built the School"

It's the biggest contract I ever went after, so I lost no time in getting over to my bank manager.

"George," I said, "I'll need some help to handle a job this size."

We went over the whole thing, discussed how much I would need. When I landed the contract he gave me a line of credit and I was able to go right ahead. Now the school's as good as built.

It is an everyday part of your local bank manager's job to provide short-term credit—so that payrolls can be met, material bought, goods produced and marketed.

LARGE ATTENDANCE AT BANFF
SCHOOL OF FINE ARTS

Nearly five hundred students,
some of them from as far away as
India, Hungary and England, at-
tended this year's summer classes
at the Banff School of Fine Arts,
in Banff National Park, Alberta.
This was an increase of over 30
from the previous year. They in-
cluded twenty scholarship winners,
whose tuition fees were paid by the
School. Some twenty courses cover-
ing a wide range of artistic oppor-
tunities were offered—painting,
vocal and instrumental music,
drama, ballet, play and short story
writing, handicraft, oral French,
and photography.

The School, which is sponsored
by the University of Alberta, has
just completed its eighteenth an-
nual summer session. It is gradu-
ally acquiring its own facilities
for accommodating students. Three
attractive modern chalets and a
bungalow installation have been
completed. In addition a number
of bungalow cabins operated by
concessionaires in the park have
been engaged for the use of stu-
dents during the summer course.
Other students make their own ar-
rangements for accommodation in
private homes or in bungalow cab-
ins in Banff and vicinity.

Truck Rodeo At
Calgary Sept. 8-9

Alberta's second annual Truck
Rodeo will take place in Calgary
on Friday and Saturday, Septem-
ber 8 and 9, in a special section
at No. 10 Repair Depot, R.C.A.P.,
next door to Currie Barracks. A
monster truck parade will herald
the event, starting from downtown
Calgary and venturing its way to
the contest area, in which hun-
dreds of trucks from the common
carriers, the tankers, the milk
haulers, the dump men, special
equipment from contractors, entries
from the truck manufacturers, and
representatives from business con-
cerns from near and far, will make
a parade that will almost stretch
bumper to bumper, from Calgary's
City Hall to the sentry box at No.
10, R.D.

This is the "truck drivers' event
of the year, the contest which he
turns on all skills of driving tech-
nique and accident prevention
learned from his daily driving in
all sorts of weather, winter and
summer, spring thaw and fall
quick freezes, driving rains and
blinding snow storms. Only drivers
with a twelve-month accident re-
cord are qualified to enter, and to
the credit of the profession, this
limits less than ONE PERCENT, a
fact that proves beyond any shadow
of doubt that truck drivers are
the best drivers on the highways.
We know it in the industry. Truck
loaders are a way of getting it
across to the general public.

CHINESE PROVERB:
You fool me once,
Shame on YOU!
You fool me twice,
Shame on ME.

CHRISTIAN SCIENCE

"For the Lord is our judge, the
Lord is our lawyer, the Lord is
our king; he will save us." (Isaiah
33:22). "Rise in the strength of
Spirit to resist all that is unlike
good. God has made man capable
of this, and nothing can vitiate
the ability and power divinely
bestowed on Man." (Science and
Health with Key to the Scriptures,
by Mary Baker Eddy, p. 383). Read-
ings similar to these comprise the
Sunday Lesson-Sermon on "Man"
in Christian Science Churches.

EVANGELICAL CHURCH

Bible class following the service.

Duck Shooting Season
Opens Here Sept. 23

Regulations covering the shooting
of migratory birds in Alberta for
this year have been issued by the
department of resources and de-
velopment, Ottawa.

For the purposes of the regula-
tions, the province has been divided
into three districts, designated as
Northern, Edmonton and South-
ern.

The Northern District is that part
of Alberta lying north of the right
bank of the Athabasca river going
downstream to its intersection
with the north boundary of Town-
ship 72 and north of the north
boundary of Township 72 from the
Athabasca river to its intersection
with the interprovincial boundary
between Alberta and Saskatchewan.

The Edmonton District is design-
ated as the area south of the
Northern District and north of a
line running from the province's
western boundary, westward along
Highway No. 12 to the intersection
of Highway No. 2, then south to
Red Deer and the intersection of
Highway No. 2 with Highway No. 11
and thence westward to Brazeau
Throughway, this line, the centre
line of the Highway in question
designates the limit.

The Southern District is the
whole area lying south of Edmon-
ton District.

The open seasons are on ducks,
other than wood ducks, geese, other
than Ross' Geese, rails and coots.
Closed Season

There is a closed season through-
out the year on wood ducks, swans,
Ross' geese, cranes, all shore birds
except Wilson's snipe and all mig-
ratory non-game and insectivorous
birds.

Following are the open seasons
in the three districts:

North District—Ducks, geese, rails
and coots, Sept. 9 to Nov. 2; Wil-
son's snipe, Sept. 9 to Oct. 9.

Edmonton District—Ducks, geese,
rails and coots, Sept. 16 to Nov. 9;
Wilson's snipe, Sept. 16 to Oct. 16.

Southern District—Ducks, geese,
rails and coots, Sept. 23 to Nov. 16;
Wilson's snipe, Sept. 23 to Oct. 23.

Bag limits are set as follows:
In any day—Ducks, 8; geese, 5;
coots and rails, 10; Wilson's snipe,
5.

In any open season—Ducks, 40;
geese 15; rails and coots, 50; Wil-
son's snipe, 50.

Possession limits: ducks, 16; geese,
10; Wilson's snipe, 16; coots and
rails, 20.

Pump guns out

It is prohibited to use a pump
or any shotgun with a magazine
that can carry more than two car-
tridges; a swivel gun; machine
gun; battery rifle; shotgun loaded
with a single bullet; any gun
of larger size than 10-gauge; any
weapon other than a gun or bow
and arrow.

Other regulations prohibit the
shooting of geese within 100 yards
of the waters of the North Saskat-
chewan, Red Deer, Bow, South
Saskatchewan, Oldman, Smokey
or Little Smokey Rivers and no
migratory game birds may be shot
within half a mile of Sullivan,
Beaverhill or Buffalo lakes.

New Rust Affects
Most Wheat Varieties

By H.G.L. STRANGE

More information has come to
hand from plant pathologists and
plant breeders of the United States
and Canada about the new and
unexpected threat of the wheat
rust.

The new race of rust has been
definitely identified as
15-B, the most virulent race known.
It is attacking all varieties of
wheat hitherto considered most
rust-resistant, and it is attacking
almost all the new varieties in the
making. This race of rust has hith-
erto stayed on barley bushes;
now it has escaped into the wheat
crop of the United States and Can-
ada. Some damage will be done
in the U.S., but very little this year
in Canada. The threat, however, is
for the future. The present rust
spores may blow south into the
U.S. and Mexico, live there for the
winter; then next summer may
blow back up here to do untold
damage if conditions are right.

More research work must be done
to study the nature of these new
rust races, and a good deal more
plant breeding work to find par-
ents that are resistant. This will re-
quire more funds and more facil-
ities than are allotted in the U.S.
and Canada. The eradication of
barberry bushes, where these rust
spores harbor, must be done in the
Eastern part of the United States
and Canada.

PUBLIC NOTICE

BY THE BOARD OF TRUSTEES OF THE
OLDS SCHOOL DIVISION No. 31
of the Province of Alberta

WHEREAS it is deemed expedient by the
Board of Trustees of the Olds School Division
No. 31, of the Province of Alberta, that the sum
of \$330,000.00 should be borrowed on the secu-
rity of the said Division by the issue of Deben-
tures repayable to the bearer in 20 equal con-
secutive annual instalments with interest at the
rate of not more than six per centum per annum
for the following purposes, namely:

Building a 10-roomed brick and tile school
with auditorium in Didsbury, a 5-roomed brick
and tile school with auditorium in Carstairs,
and to purchase and install in the said schools
heating plants, plumbing, and electrical work.

THEREFORE, notice is hereby given by the
Board of the said School Division that unless
a poll of the proprietary electors of the said
School Division for and against the said debenture
loan is demanded as provided by The
School Act, the said Board will apply to the
Board of Public Utility Commissioners for au-
thority to borrow the said sum by debentures.

Of which all persons interested are hereby
notified, and they are required to govern them-
selves accordingly.

WM. H. DAVIES, chairman

Dated at Didsbury, Alberta, this
15th day of August, 1950.

INSTRUCTIONS TO PROPRIETARY ELECTORS
IN A SCHOOL DIVISION

A poll may be demanded in a School Divi-
sion by a demand signed by five proprietary
electors of each of at least twenty per cent of
the districts in the division.

Every demand for a poll must be delivered
to the Secretary of the Division or District or,
in his absence, to the Chairman of the Board of
Trustees, within Fifteen days after the date of
posting or of the last publication in a news-
paper of this notice. A certified copy of the de-
mand must be forwarded forthwith to the Board
of Public Utility Commissioners of Alberta at
Edmonton.

"Proprietary elector" means any elector,
other than a tenant, who is liable to assessment
and taxation for school purposes in respect of
any property situate in a School Division.

WE NEED THE NEW SCHOOLS

The public notice regarding the proposed new school buildings, to be built at Didsbury and Carstairs by the Olds School Division, appears for the second time in this week's edition of The Didsbury Pioneer, and the notice outlines the general plans of the financing of the new structures.

There is some opposition to the proposed plans for the building of the new schools, but this opposition is mostly from disinterested parties or parents whose children have completed their education. This is only natural, but the fact remains that education has progressed to the point where every boy or girl is expected to get the best training in as many different subjects as it is possible to teach, and the students need this higher education if they are to take their places in organized society and contribute to the general welfare of the nation.

There was a time when only a very few students went beyond grade eight in school, and they were considered to have a good education. Today the standards demand a grade 12, and university training to be highly educated.

For this reason more and more students are completing their grade 12 at the local schools, and as a result the seats of learning are overcrowded and students cannot be accommodated. This is the situation in Didsbury and Carstairs today, and more facilities must be provided immediately if our boys and girls are to get their education as close to home as possible.

That is the reason the Board of Trustees of the Olds School Division is planning for the construction of the new school buildings. Our only complaint is that they waited too long. The schools should have been built two years ago. Due to the delay some pupils cannot be accommodated at the local schools this year. If they want higher education they may have to go somewhere else to get it. Just how the Board of Trustees is going to decide between "your kids or mine" when selecting applicants for local schools this year will be a difficult problem. But this question must be faced until more and better school facilities are provided for the boys and girls who will be the future citizens of our country.

An investment in soil conservation, in reforestation, in wild life preservation, is a re-affirmation of our belief in leaving to our children a heritage of which they may be increasingly proud.

SERVICE
BOARD
NOTES**
W.K. Snyder,
Field Supervisor

SAVE THE STRAW

With a large majority of the farmers now using combines to harvest at least part of their crop, the straw which is valuable in the production of livestock is too often lost. When scattered over the fields it also presents a problem in disposing of it without burning, and the burning of stubble or swaths is not a good practice.

For the man who wants to conserve his straw it is recommended that a Straw Buncher be pulled directly behind the combine. This machine elevates the straw into a large hopper and when the hopper is full, a pull by the operator on a trip rope will open the bottom and rear door of the machine and deposit the straw on the ground in a pile. Since the straw is dumped at will by the operator, the piles can be deposited in windrows which then can be easily gathered and stacked with a power sweep and stackers.

The Department of Agriculture has plans available for the construction of a straw buncher. Any one with a little ingenuity and some spare parts found on most farms can with the expenditure of a little time quite easily build in his own workshop one of these machines. Now, before the rush of combining starts would be a good time to build your straw buncher.

We have available a listed number of plans and will be glad to supply one free of charge. Contact your Field Supervisor if you are interested in building one of these machines.

BUYING BUTTER

The Canadian government will continue to buy butter at the support price which guarantees the farmer 53 cents a pound. Hon. J. C. Gardiner, minister of agriculture, stated that last year the government bought 48 million pounds of butter and sold practically all of it. This year 60 million pounds will be required either in government or private hands.

MORE MONEY MOVING

Financial transactions by cheques in Canada reached a new high level in June at over \$10 billions. Previous high record was nearly \$8.6 billions in November 1945. Productive operations and wholesale prices were at high levels and speculative trading on the stock markets was active. Gain in the country-wide total was 39% over the same month last year.

WEST NOTES

(Last Week)

Mr. and Mrs. O. Thompson and their guests Mrs. Bueh and Mr. and Mrs. McCabe and daughter of California and Mrs. Buck of Brooks, were all Banff visitors over the weekend. The California visitors arrived last Wednesday and found it decidedly chilly.

Twice last week the thermometer went down to the freezing point in this district, but with only slight damage to tender garden stuff in the low lying areas.

Mrs. W. Tryon and family of Lethbridge arrived by bus Saturday to visit her mother, Mrs. J. Hoesepod for a few days.

Mrs. Al McInnes arrived home from Edmonton last week and is feeling much better for the change. Mr. and Mrs. C.S. Hogg of Calgary visited over the weekend with the former's parents.

Mrs. Glen Evans was a Calgary visitor last week.

Mrs. Edith Campbell is at present a patient in the Didsbury hospital and we wish her a speedy recovery.

Mr. and Mrs. Fred Jacobs and son Gary returned to their home in Calgary on Sunday after spending a week's holiday with Mr. and Mrs. D. Gillies on the farm at Elkton.

Menasseh Weber reported that fifty years ago on August 26, there was a snowfall of 12 inches, following an exceptionally hot day. Some of the cattlemen and farmers were hard to round up, having become snowblind.

**Weeklies Show
Classified Increase**

Greater use of classified space is being made in Canadian Weekly Newspapers than ever before in the history of the Dominion Journalism. It was pointed out last week by an official of the C.W.N.A.

The increase has shown equal gain in serving city and rural readers and subscribers. Exchange of livestock through the classified columns of the weeklies early this spring reached a new high with indications that fall sales and swaps in animals will be brisk through the want-ad sections.

Classified sections of the Canadian Weeklies, during the past year, have been instrumental in returning thousands of dollars worth of lost property to readers and supplying hundreds of services of value.

The want-ad sections of the weekly newspapers of Canada, the survey discloses, are leading dollar for dollar values for thirty Canadians. Classified pages used in the survey, have shown a steady increase in lineages and service throughout the year.

LEARN TO RELAX

Check your diet and learn to relax, is the advice of the Financial Post to harassed business men.

Far too many of these people, eat too fast and too much and during their waking hours never for a minute get away from talking or thinking business, politics or the international situation. Without a break that sort of life leads either to an early grave or a mental institution.

"One of the smartest moves I ever made," a businessman told the Post, "was to get a weekend place out in the country, small and simple enough so that I can do all the routine work myself. There for a day or two each week I get lots of exercise and fresh air and there is not another businessman within a mile."

**America's Population
Increasing Rapidly**

"Our American population is increasing now at the rate of over 2,000,000 each year . . . that's ten million more people by 1955. We may be coming in sight of the time when rising living standards combined with population growth will put pressure on our ability to expand and maintain the needed production of milk and meat."

"On the present basis of diet the average civilian consumes 380 eggs, 25 to 30 pounds of poultry, about 150 pounds of beef, pork, veal and lamb and 750 pounds of milk each year. If our people continue to eat at this level and there is a population increase of ten million by 1955, at present levels of production there will be a need for 250,000,000 more hens, 23,000,000 more broilers, 2,700,000 more turkeys, 5,000,000 more hogs, 6,250,000 more beef cattle and 1,500,000 more dairy cattle just to feed the increase in population."—American Meat Institute.

CALAMITY IN THE "PEACE"

A heavy fall of unseasonable snow blanketed all but the eastern portion of the Peace River territory on Tuesday, August 15. Points in that area reported snow to a depth of from four to six inches. Tuesday night as skies cleared, heavy frost from 2 to 10 degrees occurred throughout the region. Crops, being about two weeks later than normal, were in a condition highly susceptible to frost damage. While it is too early to estimate the extent of the damage it is expected to be tremendous. Not only were the crops flattened by the snow but it is likely that yields and grades will be cut drastically with losses running into millions of dollars.

BIG COAL SHIPMENTS

16,421 tons of coal left for Canada from Swansea docks during the week ended June 24th, out of a 49,286-ton total for the week—the highest since June 1941.

MORE THAN TALK ABOUT
FREEDOM...
CANADA NEEDS
MEN TO TRAIN AS
ANTI-AIRCRAFT GUNNERS**

A major requirement of Canada's defensive system today is men trained for anti-aircraft operations. Charged with the defence of vital areas, the men of the anti-aircraft units are equipped and trained in the use of modern scientific equipment — electronics, radar, radio and telephone.

There are very few more important jobs than service in an anti-aircraft unit for young men who want to make sure that Canada is well defended against any eventuality.

To enlist you must —
1. Be a Canadian citizen or British subject.
2. Be between 17 and 29 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.

-: DISTRICT NEWS :-

MOUNTAIN VIEW

Don't forget the dance to be held at Mountain View Hall this Friday night, Sept. 1. This will be the last dance till after harvest. Music is by the Melody Five Orchestra, and lunch will be served.

Miss Lois Stearns of Aene is spending a week visiting with Grace Shultz.

Congratulations to Mr. and Mrs. Alfred Morasch on the birth of a daughter in the Didsbury hospital on August 21. Carol Elizabeth is the baby's name.

Mrs. Bernard Parsonage, Marie and Elsie Showalter of Innisfail, visited Wednesday afternoon with Mrs. Werrall and Janette Hunter. Mr. and Mrs. Sid Morasch and Alfred Morasch motored to Red Deer to visit Mr. and Mrs. T. J. Hunter and pick some Saskatoons.

Mr. and Mrs. Howard Pross and Lila and Mr. and Mrs. Lawrence Hunter visited Sunday afternoon with Mr. and Mrs. Joe Hunter and boys.

Mr. and Mrs. Joe Hunter visited in Calgary Thursday and Friday of last week.

Mr. John Stiles of Elizabethtown, Kentucky, is visiting with his brother, Ed Stiles, and family for a few days.

Bert Baptist of Peachland, B.C., called at the Ed Stiles home Monday morning. He came originally from the Sunnyslope district and for a few years operated a livery stable in Didsbury.

Gwen Brado spent the weekend with Shirley Shantz.

Mr. and Mrs. Charles Snyder spent several days at Macleod with the latter's parents.

Mr. and Mrs. Walter Pratt spent Sunday in Calgary visiting relatives and they motored out to the Sanatorium to visit Frank Durrer.

Mr. and Mrs. Ernie Cullen, Mrs. Don McKenzie, Bob Cullen, Jack Persinger and Mr. and Mrs. Werrall visited on Sunday with Mr. and Mrs. Ed Craig.

Mrs. Paul Hansen and daughter of Calgary were visiting for a few days with Mrs. Loyal Snyder and family.

Mrs. Elmer Rogers is a patient in the Didsbury hospital.

Mr. and Mrs. J. C. Bruce and family of Olds and Mr. and Mrs. Wm. Bruce and Alice spent the weekend in Banff and Lake Louise.

Mr. and Mrs. Arbour and family, Mr. and Mrs. Harold Shultz and family and Andy Metzger were dinner guests with Mr. and Mrs. Wm. Shultz and family.

Miss Evelyn Arbour is spending a few days with Mrs. Wm. Shultz.

Mrs. Conrad Wagner celebrated her 50th birthday on Sunday and held open house for all her relatives, friends and neighbors. Friends from Calgary and the district showered her with gifts and wishes to extend thanks to them all.

Mr. and Mrs. Dan Morasch and family stayed in the district for a few days to visit with the Wagner family.

BERGEN NOTES

Miss Rita Sawatsky conducted Summer Vacation Bible School at the Bergen United Missionary Church this week.

Miss Betty Davidson, September bride-elect, was guest of honor at a shower at the home of Mr. and Mrs. Dave Davidson on Saturday evening.

Mr. and Mrs. Norman Halverson and girls are visiting here. Norman is on leave from the R.C.A.F.

Visiting at the home of Mr. and Mrs. T. Haug on Wednesday afternoon were Rev. E. Archer, Mr. and Mrs. Ira Gamble, Mrs. Robt. Payne and Charles, all of Didsbury, and Mrs. Violet Brown and daughter.

Mary of Milnes, B.C. Mrs. Brown is Mrs. Haug's aunt and resided here thirty-one years ago. She was among the first pupils attending the Edswood school.

There are some wonderful crops in the district this fall and warm weather is needed to ripen the grain. Some crops have lodged badly with the recent heavy rains.

Gordon Lyle is home recuperating from a recent appendix operation.

Mrs. Eddie Adams and son are home from the hospital and we extend congratulations to the proud parents.

A number of Bergen people attended a Norwegian gathering at the home of Mrs. E. Baughman of Zella on Thursday.

Mrs. E. Clarke and family and Mr. and Mrs. H. Wideman and family returned recently from Winfield and Barrymore where they visited Mr. and Mrs. Allan Wideman and Mr. and Mrs. Olaf Haug.

WESTERDALE NEWS

Mrs. O. Rundle and children of Calgary and Mrs. Rundle's sister Mary, also of Calgary, visited last week at the home of Mr. and Mrs. W. Herbert.

Mrs. L. Jones and Mr. and Mrs. A. Jones and family spent Friday in the Southern City.

Mr. and Mrs. S. A. Kemmy and Joyce of Calgary visited and picked raspberries at the home of Mr. and Mrs. L. Jones Saturday afternoon.

Mr. and Mrs. H. Atkins and son of Edmonton were last Sunday visitors at the home of Mr. and Mrs. S. Jackson.

Mr. and Mrs. T. Bolton and family motored to Calgary last Thursday with Mrs. A. Buckley and Mrs. Bolton and four children were all out with glasses.

Mr. and Mrs. A. Tagason of Olds were Thursday evening supper guests at the home of Mr. and Mrs. Ralph Jackson.

Mr. C. Farrant and son Teddy, and Mr. E. Needham of Louisiana, called at the home of Mr. and Mrs. H. Jackson last Thursday.

Mrs. A. Buckley and Patsy motored to Red Deer last Tuesday.

Mrs. E. J. Jackson and Phyllis travelled to Red Deer last Thursday.

A most enjoyable evening was had by all who attended the entertainment at the hall last Friday evening, put on by the Miller group from Olds.

A few farmers of the district commenced binding last week. The crops are ripening rapidly and cutting should be general in another week.

The Westerdale school has recently undergone repairs in readiness for school opening on Friday.

South West Didsbury

Miss Jean Burkholder of Cremona is working at the Lynn Hunsberger home.

On Wednesday afternoon about 50 neighbors of the district enjoyed a bounteous dinner served in the basement of the Lutheran church, the occasion being the birthdays of several of the ladies during the month of August. Gifts were presented and speeches were made by Mrs. J.B. Hipkin, Mrs. J. L. Tuggle, Mrs. Fred Befus, Mrs. Ed Clayton, Mrs. E. A. Bartz and Miss Grace Hunsberger. The afternoon was spent in visiting and playing indoor games, which all seemed to enjoy.

Mr. and Mrs. Albert Korschuh and family and Mr. and Mrs. Jack Edwards were Sunday dinner guests at a family dinner for Mr. and Mrs. Gore, the occasion being Mrs. Gore's 50th birthday. Bruce and Faye Edwards accompanied their parents home.

Mrs. George Meyer spent Sunday in Calgary visiting with friends.

Mr. and Mrs. Geo. Giltrie and Miss Jessie Tighe were Monday visitors at the J. Edwards home.

Friday dinner guests at the E. Daniel home were Mr. and Mrs. B. Brower and family, and Mrs. J. Spencer and girls of Calgary.

Monday afternoon visitors at the Carl Meyer home were Mrs. Meyer's parents, Mr. and Mrs. J. E. Arnold of Bowden, and her brother-in-law and sister, Mr. and Mrs. Ted Anderson and Dennis of Claresholm.

Mr. and Mrs. Harold Brown of Edmonton were Sunday visitors with Mr. and Mrs. E. A. Bartz.

Mr. and Mrs. A. E. Lang arrived Monday from Claresholm. On Tuesday Rev. E. B. Fox and Mr. J.W. Folkmann attended a Lutheran conference at Edmonton and Mrs. Lang spent several days with Mrs. H.W. Folkmann.

Mr. and Mrs. Harold Brown of Edmonton were Sunday visitors with Mr. and Mrs. E. A. Bartz.

Be Proud Of Your Business

Modern advertising is a necessity to hold and build business. Be proud of your business, of the goods you have to sell, of the services you have to offer in your particular line. Show the progressive spirit and the desire to serve by advertising. Do not hide your light under a bushel—proclaim far and wide who you are and what you have to sell and where your place of business is, for public memory is short, and advertising is a powerful aid to all types of businesses. Moreover, people as a general rule shop where they are invited.

LITTLE ITEMS OF LOCAL INTEREST

Marlene Bolton of Westerdale is spending the weekend with her grandmother, Mrs. Bert Pross.

—Don't forget the dance at the Mountain View Hall on Friday, September 1, Melody Five. 2c

Mrs. Melinda Beamish of Vancouver, B.C., spent Friday with Mrs. Bert Pross.

Mr. and Mrs. E. T. Wiggins returned Saturday from a week's holiday at Banff.

Born at the Didsbury hospital to Mr. and Mrs. Alfred Morawch on Tuesday, August 22, a girl.

Mr. and Mrs. Thos. Morris and family were Calgary visitors the first part of the week.

Annie McCulloch visited for a few days last week with Rita Fulkert and this week Rita visited with Annie.

Mr. and Mrs. W. McFarquhar and family returned Monday after a two weeks holiday spent at Banff and Jasper.

Mrs. A. J. Wright and son Blake of Vernon B.C. are visiting with Mr. and Mrs. E.J. Bouleau and family.

Mr. and Mrs. G.M. Laing of Millerville visited over the week end with the latter's parents, Mr. and Mrs. Dune Lamont.

—Limited supply of the New Oliver 12-Foot Swathers still available at Payne-Freeman Co. Limited, phone 14, Didsbury.

According to a recent report in the Olds Gazette Wm. A. Moench of Carstairs has made application to build a \$23,000 theatre in Olds.

Mr. and Mrs. Alf Boivik and family of Carbon were Didsbury visitors on Saturday and called on Ray Campbell.

Sunday Midnight Preview at the Didsbury Opera Theatre on September 3rd, "Bride for Sale" is the feature, starring Claudette Colbert, Robert Young and George Brent.

Oris and Kenneth Hembeling of Vernon, B.C., expect to leave for their home on Wednesday after spending the past month with Wallace Hughes at Westcott.

The Childhood Cottage, Beiseker, which was to have been drawn for August 19, will not be drawn for until early in October due to unforeseen events.

Mr. G. Key-Jones, the new Industrial Arts teacher for the Didsbury School, arrived in town last week and for the present is staying at the Rosebud Hotel.

Miss Shirley Smith has returned to her home at Innisfail after spending a two weeks' vacation at the home of her aunt, Mrs. Russell Fulkert.

Anyone interested in having Mr. C. F. Donner R.M.T. resume piano classes in Didsbury for the ensuing year, is asked to be present at a meeting to be held in the basement of Knox United Church on Thursday, August 31, at 8:30 p.m.

Rain during the past week has retarded harvest operations in the Didsbury district, although with so many late crops very little cutting has been done to date. Some of the early sown barley and oat fields have been either swathed or cut with the binder, but it will be another week or ten days before cutting is at all general and the outcome of the crop will depend largely on the absence of frost during this critical period.

Melvin won the ball game from Carstairs at the Didsbury diamond on Monday night by a 4-3 score. Each team has now won two games and the final game will decide the winner of the Rosebud League.

Mr. and Mrs. R. E. McMullen and family of Elkton have been very happy to welcome Miss Jany Berendse of Scherpenseel, Holland, into their home. Over the weekend they entertained a family party of sixteen, including Mr. and Mrs. Clinton McMullen and two little daughters of Cannon, Alberta, Mr. and Mrs. Albert McMullen and two small sons of Red Deer, Mr. and Mrs. Wilfred Blain and little daughter Sharon of Cremona, Mr. and Mrs. Herbert Kramer and son Robert of Calgary, Mrs. J. Warren of Champion, and Mrs. McMullen's sister, Mrs. Ray Little of Lethbridge.

Peter Waldin, who recently returned from a tour of Europe in the interests of the Youth For Christ movement, will be guest speaker at the United Missionary Church, Didsbury, on Sunday, September 3, at 2:30 p.m. He will have an interesting message concerning church conditions in Europe.
